COMMENTS

TV Alabama, Inc. ("TV Alabama"), licensee of television station WJSU-TV, NTSC Channel 40, Anniston, Alabama, by its undersigned attorneys, hereby submits its Comments in support of the above-captioned Notice of Proposed Rulemaking ("NPRM"). As stated in its Petition for Rulemaking, TV Alabama continues to support the channel substitution proposal as set out in the NPRM - namely, the amendment of the Digital Television ("DTV") Table of Allotments, 47 C.F.R. § 73.622(b), such that Channel 9 is substituted for Channel 58 as the DTV channel assigned to WJSU.<sup>1</sup> Under this proposal, the DTV Table of Allotments would be amended as follows:

<u>Community</u>	<u>Present</u>	<u>Proposed</u>
Anniston, Alabama	58	9

274

<sup>1</sup> The information contained in TV Alabama's Petition for Rulemaking is incorporated herein by reference.

If the above channel substitution proposal is granted, TV Alabama will, as stated in its Petition for Rulemaking, promptly file an appropriate construction permit application to commence DTV operations on Channel 9 in Anniston, Alabama. Once authorized, TV Alabama will commence construction of either the approved facilities in its DTV construction permit or a low-power DTV STA facility for WJSU, subject to its ability to secure the necessary equipment from its vendors, schedule time with a tower crew, and secure any necessary permits from local government authorities.

For these reasons, TV Alabama respectfully requests that the amendment to the DTV Table of Allotments proposed in the above-referenced NPRM be approved.

Respectfully submitted,

TV Alabama, Inc
